REASONS FOR ALLOWANCE

1. This Office Action is responsive to the Applicant's Response filed on 9/15/05.
2. Claims 1-14 are allowed.
3. The following is an examiner's statement of reasons for allowance:

-Regarding to independent claim 1, none of prior art of record teaches or suggests an equalizer apparatus comprising a second decision feedback equalizer which utilizes coefficients derived from an estimated channel response of a channel and tentative symbol decisions from a first decision feedback equalizer to truncate a channel response of the channel to a desired channel memory; and a non-linear equalizer for providing equalization of the truncated channel response over the desired memory, in combinations with other limitations recited in the claim.

-Regarding to independent claim 9, none of prior art of record teaches or suggests a method comprising procedures of utilizing a first decision feedback equalizer to form tentative decisions regarding certain symbols; utilizing an estimated channel response of a channel to derive feedback and feed forward coefficients for a subsequent decision feedback equalizer; utilizing the subsequent decision feedback equalizer to truncate the channel response to a desired memory; and utilizing a non-linear equalizer for providing equalization of the truncated channel response over the desired memory, in combinations with other limitations recited in the claim.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
